MOMENTOUS
Martha Wash’s unmistakable voice has been capturing the hearts of millions of people around the world for decades. The two-time Grammy nominee is responsible for some of the biggest-selling, most beloved pop and dance hits in music history, and it’s easy to be overwhelmed by the irresistible charm of her astonishing répertoire. Think of her legendary backup work as part of Two Tons O’ Fun for Sylvester’s disco classics, such as “(You Make Me Feel) Mighty Real.” Remember how you celebrated the unrestrained joy of “It’s Raining Men,” when she performed as one-half of the Weather Girls. Recall the sizzling heat of her powerhouse rendition of “Gonna Make Sweat (Everybody Dance Now),” the highlight of C+C Music Factory’s career and a number-one pop smash. Re-live that feeling of rapture you felt from her performance on the Dreamland album by Black Box, which featured three Top 40 Billboard hits, including “Everybody, Everybody.” Is it any wonder today that Martha is considered the very heart and soul of dance music?

But make no mistake — Ms. Wash’s reputation isn’t just built upon the past. She has remained one of the world’s most in-demand vocalists and continues to command the attention of millions of fans, far beyond the confines of vintage dance music. After establishing herself as a celebrated solo artist with the release of “Carry On,” another number-one Billboard dance hit in the early ’90s, Martha released a string of hits that made her one of clubland’s most enduring and prolific vocalists. The award-winning duet with Jocelyn Brown, “Keep On Jumpin’,” and the glorious anthem “Catch The Light,” paved the way for Martha to ignite the dance floors of a new generation.

Martha Wash is a star. But she’s not about to trip on it. “You have to pay so much to be a ‘star,’” the singer said in her interview in First Ladies of Disco. “I don’t take the hype seriously.” Unquestionably, hype can be a flash in the pan — Martha Wash is anything but. Her voice is one of the very few in contemporary music that has been taken seriously, endured, and grown ever more rich in beautiful and unexpected ways, earning the respect and admiration of fans and peers worldwide. Hers is a voice that has been honed to perfection with songs that lift the spirit and inspire the soul.

And for Martha Wash, the best is yet to come.
